

The Secret Refuge

Villa Ibiza Breeze

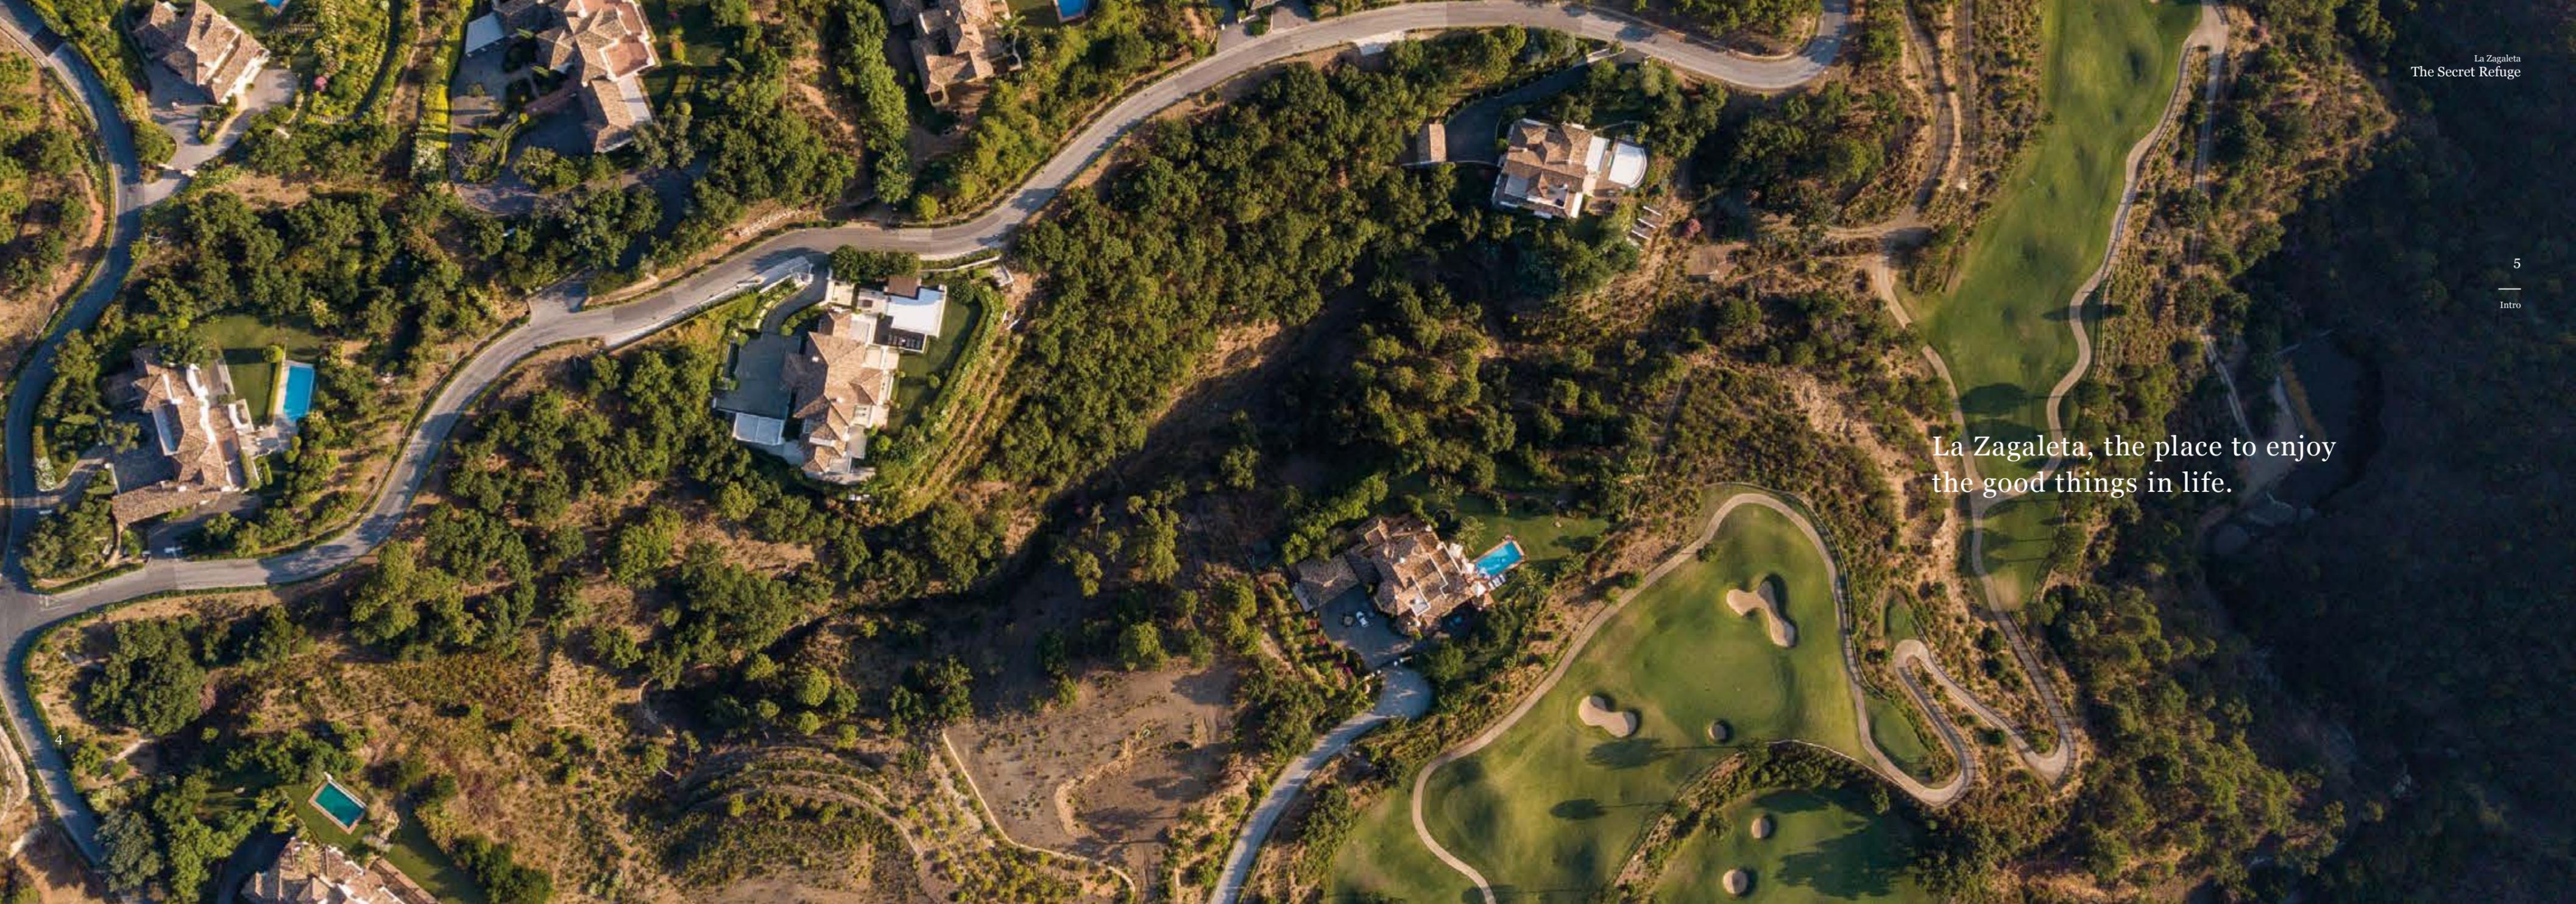

La Zagaleta

La Zagaleta is the most exclusive residential enclave in Southern Europe.

A place imbued with the beauty of nature, with homes built from the materials that dreams are made of. An environment where architectural simplicity lives in harmony with nature in its purest state.

A true delight for all your senses.

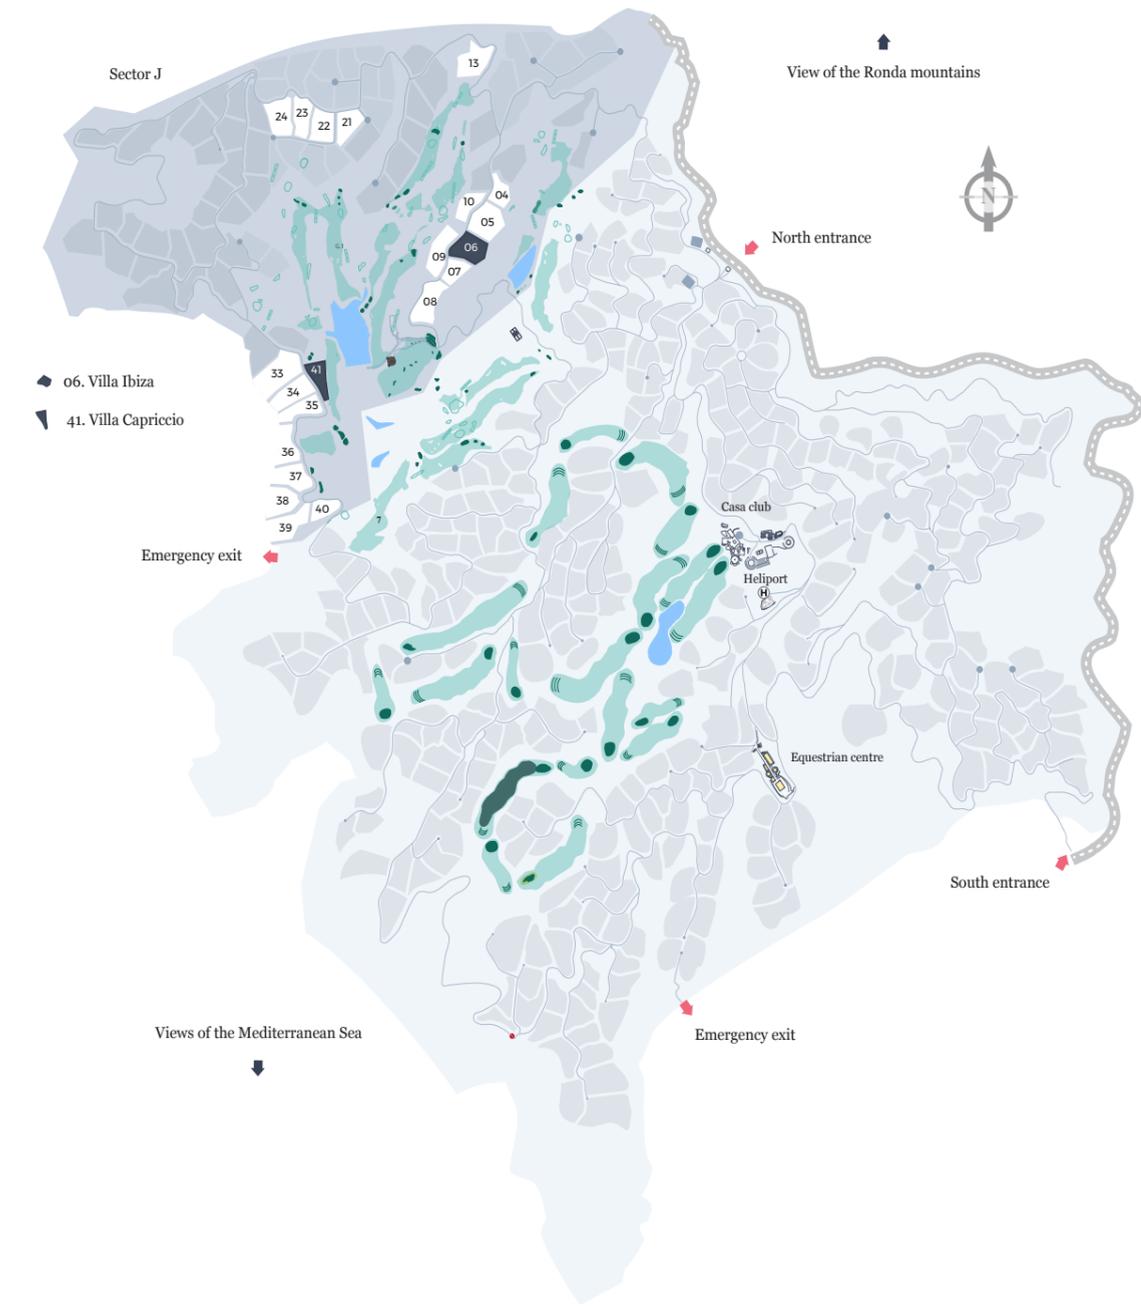

La Zagaleta, the place to enjoy
the good things in life.

La Zagaleta. The best kept secret.

A private residential area with luxury villas, created with a revolutionary idea in mind: to integrate homes of extraordinary quality, design and sustainability into an environment of unparalleled natural beauty.

Close to the Málaga international airport, with excellent connections with Europe and the rest of the world.
High-speed train to Madrid and Barcelona.
Close to beaches. The Sierra Nevada Ski Resort is 2,5 hours by car.

Stillness at home. Exquisite beaches, Michelin-starred restaurants, Marbella's exciting Nightlife and Puerto Banús, just ten minutes away. Málaga and its emerging cultural offer, less than an hour away. Direct access to the airport.

A special microclimate with close to 300 days of sunshine a year to enjoy. A paradise in the mountains, caressed by the breeze of the Mediterranean Sea.

Discernment, privacy, excellence.

In La Zagaleta, homeowners enjoy completely personalized services that reveal our passion for detail. In 900 hectares of Mediterranean forest, there are two 18-hole golf courses, an equestrian centre, a private heliport, and tennis and padel courts. And at the Club House, a restaurant offering unforgettable dining experiences that will inspire even the most discerning of palates.

Enjoy total peace and quiet while playing your favourite sport.

With 36 Parkland holes, the Old and New golf courses of La Zagaleta are in a privileged location nestled amongst the pine forest from where you can absorb the magnificent views across the Mediterranean Sea.

The Old Golf Course.

Designed in 1991 by Bradford Benz and redesigned in 2016 by Marc Westenberg, this superb 18-hole course is carefully integrated into its natural surroundings, one of the project's primary objectives.

The New Golf Course.

This course was designed with a true challenge in mind. With services and facilities of an unprecedented level, La Zagaleta offers its members this second, exclusive par-70 course.
