PRICE

8.000.000 €

This stunning villa, envisioned by Abalos architects, showcases clean lines and precise angles inspired by cubism. Spanning two floors, the upper level features bedrooms connected by a spiral staircase, while the ground floor accommodates additional bedrooms, kitchen and a spacious living area. The manicured garden surrounds the infinity pool with panoramic views. With its frontline golf position, sea views and design, this property offers a luxurious haven.
