Casa Camelia

WELCOME TO CASA CAMELIA

A property that transcends the very concept of home.

Casa Camelia is a majestic European Neoclassical-style mansion, situated in one of Marbella's most exclusive locations. Nestled amidst lush, mature gardens and just minutes away from the most iconic landmarks of the Golden Mile, this residence offers a living experience where timeless elegance and serenity unite in perfect harmony.

Casa Camelia

A sanctuary of distinction and majestic architecture.

From the moment you arrive, the home makes a statement. Grand Doric columns frame the entrance and ivy-covered walls soften the architecture, giving it a quiet, almost cinematic beauty. The double-height entryway, with its sweeping twin staircases and patterned marble floor, sets the tone: formal but warm, impressive yet inviting.

The estate sits on over 4.000 square meters of private grounds and offers more than 1.500 square meters of interior space laid out across three levels. The main floor is designed for entertaining, with generous reception rooms, elegant ceilings and natural light pouring in through large windows that open to the terraces and garden beyond.

Upstairs, the primary suite spans more than 200 square meters and includes two separate bathrooms and dressing rooms, as well as a private terrace. Four additional bedroom suites are arranged symmetrically along the upper floor, each with their own bathroom, dressing area, and outdoor space.

On the lower level, there's a full wellness area with a gym, yoga room, sauna, steam bath, and massage room, a quiet retreat at the heart of the home and a separate staff quarters with four bedrooms.
