

A photograph of a semi-detached house in Marbella Golden Mile. The house is a two-story building with a light-colored facade and a tiled roof. It features a balcony with a metal railing and a red door. The house is surrounded by lush greenery, including several tall palm trees and various shrubs. In the foreground, there is a large, rectangular swimming pool with a curved edge, filled with clear blue water. The pool has a white concrete deck and a metal ladder. To the right of the pool, there is a small, square, white hot tub with a fountain. The sky is clear and blue.

Semi Detached House | Marbella Golden Mile

Jardines de Las Lomas is an exclusive gated community of 30 individually designed homes on Marbella’s Branded Golden Mile, near prestigious developments like Epic Marbella by Fendi Casa and Karl Lagerfeld Villas. This spacious four bedroom, four level semi detached home, originally built in 2002 and fully renovated in June 2025, offers 263m² of refined living space plus 52m² of terraces.

The lower level includes a private two car garage, a cinema room, a state of the art equipped gym, storage, and laundry. The ground floor features an open plan Siemens fitted kitchen flowing into the dining and living areas, with a covered BBQ terrace and direct access to the community. The first floor hosts the master suite with a walk-in wardrobe, private terrace, and two guest bedrooms, while the top floor boasts a fourth bedroom with a private jacuzzi and stunning Mediterranean views.

Ideally located near beaches, fine dining, and Marbella’s top international schools, this home is perfect for luxurious family living in a secure setting.
